Host Family Application

Developed by the Association of Christian Schools International (ACSI) for Christian Schools

If you have any questions relating to this form, please refer them to the International Student Program (ISP) Coordinator. You will need to provide **personal references** (pages 6 and 7) that should be turned in directly by your reference in a sealed envelope or e-mailed directly to the ISP coordinator. Your application does not necessarily mean that an international student will be placed in your home. Likewise, it does not commit you to accept a student until you have received further information.
