

## Making Christian Education Affordable

Choosing Christian education for your children can be overwhelming for some families when thinking about how to pay for private tuition. Plymouth Christian Academy recognizes and appreciates the sacrifices that families make in order for their children to receive a Christ-centered, Biblically-based curriculum and instruction. To that end, we wanted to point out some ways to make that investment workable for your family's situation:

1. **Pray:** He is, after all, our Jehovah-Jireh – our Great Provider! When He calls you to a place, He also equips you to make it happen. We have heard so many amazing stories over the years of God's gracious provision – an unexpected gift, the generosity of grandparents, a job promotion – truly we serve an Almighty God!
2. **Variable Tuition:** Our mission at Plymouth Christian Academy is to provide all students with a quality, affordable Christian education. As such, we are proud to offer Variable Tuition to support our students and their families. This means that PCA tuition rates differ for each K-12 family based on their financial position. Go to [www.plymouthchristian.org/variabletuition](http://www.plymouthchristian.org/variabletuition) to learn more!
3. **Tuition Reduction Incentive Program (TRIP):** Plymouth Christian has partnered with "Shop with Scrip" who supplies gift cards for various restaurants, retail stores, and service businesses with rebates that are credited back to you to be applied to your student's tuition account. Families can register online at [www.shopwithscrip.com](http://www.shopwithscrip.com) and registering with Plymouth Christian Academy (Code #EFDF95AE21L). Once registered online, you can also sign up for Presto Pay, an online payment system that allows you to pay for orders online, purchase through SCRIP NOW! (received through email or on your phone using SCRIP WALLET), or reload certain cards. Some of our families have earned over \$1,000 using TRIP!
4. **Payment Plans:** Our Tuition Office will work with you to find the perfect payment plan for your budget.

Please feel free to contact Crystal Edwards in the Tuition Office if you have any other questions regarding tuition payment options. (734) 459.3505 x 3156 or [crystal.edwards@plymouthchristian.org](mailto:crystal.edwards@plymouthchristian.org)
