All (pre-pay and monthly) tuition and fees are paid via electronic transfer through FACTS Tuition Management. Families access their account information through FACTS Family Portal, a secure, custom site. Contact Laura Imlach in the Tuition Office at 734-459-3505 x 3156 if you have any questions.

Tuition is payable by the following options:

- **Full payment** (tuition and fees): Due on or before May 31st (or within 30 days of acceptance for new students). Payment is made electronically through the FACTS program. Payments may be made through checking or savings accounts, or credit card (2.85% convenience fee): Visa, MasterCard, Discover, American Express. If full payment is made, a pre-payment discount is offered.

- **Monthly payment** (tuition and fees): Monthly, **no interest** payments will be made by electronic transfer through the FACTS program. There are several new options including method of payment, length of payment terms (10-month or 11-month is most common), and payment dates (i.e. 5th, 10th, 15th, 20th or last day of each month)

A student's account **must be current** by the first day of school, and at least ½ the balance paid off by end of Semester 1 to continue attending school. By graduation or time of withdrawal, the **account must be current to complete graduation/receive student records or current transcript.**

If a student withdraws after attending classes (on the student's/family's initiative), the student will be charged for any portion of a month that the student attends PCA. **Tuition will be pro-rated based on the 10-month school year (September through June), less non-refundable student fees.**

Should a new student withdraw **after** being accepted but **prior** to the beginning of the school year, the **application fee will be held, plus non-refundable student fees. Remaining tuition will be refunded.**

Should a re-enrolled student withdraw **after** the withdrawal deadline but **prior** to the beginning of the school year, **10% of the tuition will be held, but remaining tuition and all other fees will be refunded.**

Returned checks will carry a \$25 processing fee.

Records and transcripts will be forwarded to another school or college for students whose tuition, fees, and fine accounts are current. An Incomplete will be applied to a student's courses if his/her account is not current.
