** Student Fees cover costs incurred for every student that are consumable, fixed, prepaid and non-recoverable by Plymouth Christian Academy. Costs vary by grade due to the differing expenses/needs for the offerings provided. For this reason, Student Fees are broken out separately from Tuition and are non-refundable to families.*

2023-24 TUITION INFORMATION & POLICIES

- All tuition and fees are paid via electronic transfer through FACTS Tuition Management. Families access their account information through FACTS Family Portal, a secure, custom site. Contact Laura Imlach in the Tuition Office at 734-459-3505 x 3156 if you have any questions.
- Tuition is payable by the following options:
 - **Full payment** (tuition and fees): Due on or before **May 31, 2023** for current students, or within **30 days** of acceptance for new students. Payment is made electronically through the FACTS program. Payments may be made through checking or savings accounts, or credit card: Visa, MasterCard, Discover, American Express. If full payment is made, a pre-payment discount is offered.
 - **Semi-annual payment** (tuition and fees): Families may prepay by semester if larger lump sum payments are a better fit for their budget needs. First semester payment, which is 50% of the total balance due, **must be paid before the first day of school**. The remaining 50% balance due **must be paid before the start of second semester**. This timing is a requirement and cannot be adjusted.
 - **Monthly payment** (tuition and fees): Monthly, **no interest** payments will be made by electronic transfer through the FACTS program. There are several new options including method of payment, length of payment terms (10-month or 11-month is most common), and payment dates (i.e., 5th, 10th, 15th, 20th or last day of each month). **All payment plans for the 2023-24 school year must be completed by April 30, 2024.**
- A student's account must be current by the first day of school, and at least ½ the balance paid off by end of Semester 1 in order to continue attending school. By graduation or time of withdrawal, the account must be current to complete graduation/receive student records or current transcript.

A student's account must be current by the first day of school, and for monthly payment plans, the first payment must be made before the first day of school, and at least ½ the balance must be paid off by end of Semester 1 to continue attending school. By graduation or time of withdrawal, the **account must be current to complete graduation/receive student records or current transcript.**

Returned checks will carry a \$30 processing fee.

Records and transcripts will be forwarded to another school or college for students whose tuition, fees, and fine accounts are current. An "Incomplete" will be applied to a student's courses if his/her account is not current.

FACTS Policies:

- Most banks charge a fee for Non-Sufficient Funds (NSF)
- FACTS charges a \$30 NSF fee
