

PLYMOUTH CHRISTIAN ACADEMY

April 3 – April 6, 2023

EXPLORE is an educational one-week program at PCA that gives students an opportunity to learn a new skill, study a topic in-depth, or take an exciting trip! During EXPLORE, our students have opportunities to interact with and learn from others outside of the traditional classroom setting. We believe that the lessons and opportunities students experience through this program will be a tremendous value to their academic, social, spiritual and vocational direction. During this week, while our sophomores tour Washington D.C. and our senior students EXPLORE Puerto for educational and missional purposes, we offer classes and opportunities for high school students remaining at school.

EXPLORE Attendance Policy & Check-In/Check-Out

Attendance will be taken and recorded just like a normal school day. Days missed will be considered an absence in every class. Out of respect to our EXPLORE Week Presenters, our Tardy Policy will also be in place.

PCA Dress Code still applies unless otherwise noted.
