

Guidelines for ALL K-12 Families

1. Drivers should not exit their cars while in the loop. If you need to get out of the car to assist your child or open your trunk, please park in a designated parking spot.
2. When exiting the west loop, please turn left. When exiting the east loop, please turn right. This keeps our traffic flowing so you can get where you need to be.
3. Please do not park in the loops during an active drop off or dismissal time. If you do not see your child and you are blocking the flow of traffic, you will need to park or go around the loop again.
4. On purple flag days, all drivers will need to park.

Suggested Routes:

Elementary ONLY: Use the West loop. You will drop your 3-6 students first by the playground and then drop K-2 students along the crosswalk or park and walk your student to the church building door.

Elementary AND Secondary: Use the East loop. You will drop your K-2 students first on the south side of the church building, drop off your 3-6 students by the playground, your 7-8 students by the flagpole doors, and your 9-12 students at the triple doors by the gym.

Secondary ONLY: Use the East loop. Take your 2nd right, turn left when you get near the playground, drop your 7-8 students by the flagpole doors, and your 9-12 students at the triple doors by the gym.
