PCA ANNUAL EAGLE CLASSIC GOLF OUTING – MONDAY, AUGUST 5TH, 2024! THE ATHLETIC BOOSTER BOARD INVITES YOU TO ‘SAVE THE DATE’ FOR OUR ANNUAL GOLF OUTING!

Please join us for a great time of sport, fun, and fellowship. Your participation will benefit our student athletes in their continued drive forward! Our event will be held at **Tanglewood Golf Club in South Lyon**. For more information, sponsorship opportunities and how to register for this event, contact our Athletic Booster Board at athleticboosters@plymouthchristian.org.

LOOKING AHEAD AT SPORTS FOR FALL 2024: If your student is interested in participating in **ANY HIGH SCHOOL, MIDDLE SCHOOL, OR ELEMENTARY SPORT(S)** during the **2024-2025 school year**, we encourage you to get your student's sports physical during the summer months at the facility of your choice. **A CURRENT PHYSICAL IS REQUIRED** for your student BEFORE he or she can participate in any try-out, practice, or game. Under MHSAA guidelines, for a physical to be considered current, it must be **dated April 15, 2024 or after to be valid for the 2024-2025 school year**. The MHSAA requires that we have a physical on file for every student that plays a sport at PCA. **NO EXCEPTIONS.**

FINAL FORMS is our athletic registration website. **Final Forms** helps to digitize all necessary paperwork for competing in athletics and will help streamline our growing athletic program for communication, eligibility, and additional tasks required to keep our athletic programs running at a high level. If your child plans on playing a sport at PCA this school year, it is required that your student-athlete has a profile created on our Final Forms platform. (This applies to all student grade levels.) Your student must also have an up-to-date physical (completed on or after April 15, 2024) to participate in sports. You and your student-athlete will need to upload your student-athlete's current MHSAA physical form and go through the additional requirements for eligibility such as reviewing our handbook, sports participation form, and other parent/student requirements. If your student-athlete already has a profile on Final Forms, there is a re-enroll option to update your student's information for the 2024-25 school year. Following is the link to Final Forms: <https://plymouthchristianeagles.com/athlete-registration/plymouth-parent-playbook/>

HIGH SCHOOL SPORTS: Monday, August 12th, 2024, is the MHSAA first allowable Fall sports' practice and/or tryout date. Be aware that most JV & Varsity sports have games scheduled BEFORE the school year begins. Fall high school sports include Varsity Boys & Varsity Girls Cross Country, Varsity Girls Golf, Varsity Girls Sideline Cheer, Varsity Boys Soccer, Varsity Boys Tennis, JV & Varsity Girls Volleyball, and Co-op Varsity Football with Lutheran Westland. **Coaches will be communicating summer work-out and tryout information via email through our FINAL FORMS platform so be sure your student-athlete has a profile created on Final Forms.**

MIDDLE SCHOOL SPORTS for Fall include Boys Soccer, Girls Volleyball, and Boys and Girls Cross Country. Practices are anticipated to begin shortly after school starts in August. **Coaches will be communicating information via email through our FINAL FORMS platform so be sure your student-athlete has a profile created on Final Forms.**

BE SURE TO CHECK OUT OUR PCA EAGLES WEBSITE AT www.plymouthchristianeagles.com. You can view scores, schedules, articles, pictures, and team/sport specific updates and sign up for alerts for your team. **Game schedules are subject to change without notice so be sure to check your team's schedule often.**
