* Student Fees cover costs incurred for every student that are consumable, fixed, prepaid and non-recoverable by Plymouth Christian Academy. Costs vary by grade due to the differing expenses/needs for the offerings provided. For this reason, Student Fees are broken out separately from Tuition and are non-refundable to families.

2025-26 TUITION INFORMATION & POLICIES

- All tuition and fees are paid via electronic transfer through FACTS Tuition Management. Families access their account information through FACTS Family Portal, a secure, custom site. Contact Laura Imlach in the Tuition Office at 734-459-3505 x 3156 if you have any questions.
- > Tuition is payable by the following options:
 - **Full payment** (tuition and fees): Due on or before **May 31, 2025** for current students, or within **30 days** of acceptance for new students. Payment is made electronically through the FACTS program. Payments may be made through checking or savings accounts, or credit card: Visa, MasterCard, Discover, American Express. If full payment is made, a pre-payment discount is offered.
 - <u>Semi-annual payment</u> (tuition and fees): Families may prepay by semester if larger lump sum payments are a better fit for their budget needs. First semester payment, which is 50% of the total balance due, must be paid before the first day of school. The remaining 50% balance due must be paid before the start of second semester. This timing is a requirement and cannot be adjusted.
 - **Monthly payment** (tuition and fees): Monthly, **no interest** payments will be made by electronic transfer through the FACTS program. There are several options including:
 - Method of payment (checking, savings, credit card)
 - Payment dates (i.e., 5th, 10th, 15th, 20th or last day of each month)
 - Length of payment terms:
 - Payment plans for <u>current</u> families run 10-months (beginning in July) or 11-months (beginning in June); <u>New</u> families must start payment plans within 30 days of enrollment with first payment made before attending class(es).
 - All payment plans for the 2025-26 school year must be completed by April 30, 2026.

<u>A student's account **must be current** by the first day of school</u>, and at least ½ the balance must be paid off by end of Semester 1 to continue attending school. For monthly payment plans, the first payment must be made by July 31st (current families) or before the first day of school/attending class(es) for new families. By graduation or time of withdrawal, the **account must be current to complete graduation/receive student records or current transcript.**

Returned checks will carry a \$30 processing fee.

<u>Records and transcripts</u> will be forwarded to another school or college for students whose tuition, fees, and fine accounts are current. An "Incomplete" will be applied to a student's courses if his/her account is not current.

FACTS Policies:

- Most banks charge a fee for Non-Sufficient Funds (NSF)
- FACTS charges a \$25 NSF fee
