

MIDDLE SCHOOL EDUCATIONAL SUPPLY LIST 2026-27

Student Planners will be provided. A **fully charged device is required for each student.

Welcome to Middle School! We are so excited for this year! To help students learn to be organized, we will be implementing a color-coding system. Each subject area will have a specific color folder, binder, etc. This will help students to be able to quickly identify the correct materials from their lockers. Each student will also need a stocked pencil pouch and planner that goes to every class with them. We are excited to partner with you and your child to prepare them for the future. All supplies from previous years can be used again if in good condition. 7th graders can use the same ELA binder in 8th grade. If you have any questions, feel free to contact the office or email ashley.frey@plymouthchristian.org
