Plymouth Christian Academy

Project SHINE 2019

Our Commitment to the Community

A Big Thank You!

A contribution today has a lasting impact on the lives we are privileged to serve through Project SHINE! Your gift provides the necessary items and resources to provide food, blankets, clothing and care to the hundreds of people our kids will serve during SHINE week, April 15-18, 2019.

Every dollar counts. Every life matters.

A gift to Project SHINE supports efforts such as:

$25 can bring loaves of bread and cans of soup to area shelters

$50 can supply rescue teddy bears and pillow cases to children in crisis

$100 can provide looms and yarn for students to make warm knit caps for children and babies in orphanages, birthday boxes for Food Gatherers, care kits and blessing bags

$250 can supply care kits for needy families and fleece blankets for children entering foster care and socks for senior citizens

$500 can provide supplies to support projects including yard tools for urban garden clean up in Detroit, church clean up, painting supplies, serving senior citizens in the community and so much more

PCA is a 501(c)3 charity. All gifts are tax deductible and greatly appreciated!

Making a gift today is simple to do!
